

Revis, Straight Label Jacket

Words pierce through the air
They make you wear to get you in a straight jacket label
With your face turned to the wall
This place penetrates when
Everyone that ever tries to tell you that you're not the same
Watches you fall

You're pushing on the wall on the wall inside
You're pushing outside to find the reasons
You run from this place when they label you

Reasons to run from this place when they label you
(Alt: You're pushing on the wall inside)
Reasons to run from this place when they label you
(Alt: You're pushing on the wall inside)

You're inside thinking of everyone you ever knew
When they put you outside the separating wall
I can see you standing there waiting for the answer
To the reason no one operates the way you do
You're point of view

You're pushing on the wall on the wall inside
You're pushing outside to find the reasons
You run from this place when they label you

Reasons to run from this place when they label you
(Alt: You're pushing on the wall inside)
Reasons to run from this place when they label you
(Alt: You're pushing on the wall inside)

Everyday that they can't see
Afraid of what they might find
In the way of what they see
Afraid of what's inside of you

Reasons to run from this place when they label you
(Alt: You're pushing on the wall inside)
Reasons to run from this place when they label you
