

# Revolution Renaissance, Angel

You came into my Life one sunny day  
I held you in my arms... no words to say  
So beautiful and innocent as any child can be  
Like fading to a dream so close to me  
You asked my many things and taught me more  
I'm sorry 'bout the years I closed the door... from you  
But now I see before me a beautiful young girl  
Still fading to a dream so close to me  
Angel I can't take away the pain  
I can only stand in rain  
I'll be there with you  
Angel take my hand I'll lead you to  
A Sunny road where all is new  
Like it used to be... my Angel
