

# Revolution Renaissance, Born Upon The Cross

I am reaching out from nowhere  
Telling truth about myself  
Many Mountains I did climb  
Many roads did I travel  
I was teaching words of wisdom  
I was speaking words of love  
But those words got very twisted  
By the powers that be  
I was married to Mary  
We had Children we had home  
I was never crucified, I was just a human being  
Was a healer and a teacher, not Son of God  
But they used me for their purposes and that's why  
You are born upon the Cross  
Gold help you all  
Born upon the Cross  
Darkness has won
