

Rex Goudie, My One Mistake

Endless days and empty nights
Feel the darkness crawl through my mind
Out of reach but still calling
I can't get to you
Feel the emptiness in my heart
Life's takin' me back to the start
Theres no power no glory
I'm just missin' you
She was my pleasure and my pain
She was my shelter from the rain
Searchin' for answers where it went wrong
And now she's gone
It's my one mistake
Its my living nightmare while i'm awake
Theres no escape
She's everything i've ever known
The only thing that i could never change
She's the one that got away
Tainted memories follow me
No redemption no remedies
Just the truth thats plain to see
I cant turn back now
She was my pleasure and my pain
She was my shelter from the rain
Searchin' for answers where it went wrong
And now she's gone
It's my one mistake
Its my living nightmare while i'm awake
Theres no escape
She's everything i've ever known
The only thing that I could never change
She's the one that got away
Callin' me, hauntin' me
Never ending, its breakin' me
Fell it burnin', inside of me
Yeah
It's my one mistake
Its my living nightmare while i'm awake
Theres no escape
She's everything I've ever known
The only thing that I could never change
It's my one mistake
Its my living nightmare while i'm awake
Theres no escape
She's everything I've ever known
The only thing that I could never change
She's the one that got away
