Rex Goudie, My One Mistake

Endless days and empty nights

Feel the darkness crawl through my mind

Out of reach but still calling

I can't get to you

Feel the emptiness in my heart

Life's takin' me back to the start

Theres no power no glory

I'm just missin' you

She was my pleasure and my pain

She was my shelter from the rain

Searchin' for answers where it went wrong

And now she's gone

It's my one mistake

Its my living nightmare while i'm awake

Theres no escape

She's everything i've ever known

The only thing that i could never change

She's the one that got away

Tainted memories follow me

No redemption no remedies

Just the truth thats plain to see

I cant turn back now

She was my pleasure and my pain

She was my shelter from the rain

Searchin' for answers where it went wrong

And now she's gone

It's my one mistake

Its my living nightmare while i'm awake

Theres no escape

She's everything i've ever known

The only thing that I could never change

She's the one that got away

Callin' me, hauntin' me

Never ending, its breakin' me

Fell it burnin', inside of me

Yeah

It's my one mistake

Its my living nightmare while i'm awake

Theres no escape

She's everything I've ever known

The only thing that I could never change

It's my one mistake

Its my living nightmare while i'm awake

Theres no escape

She's everything I've ever known

The only thing that I could never change

She's the one that got away
