

Rex Orange County, AMAZING

There's no way to time it
And where you may find it
Is unknown
Until then, you're a loner
So you see her (her)
She's over in the corner (corner)
And you can't ignore her (you can't ignore her)
There must be a reason
You see it, believe it now

I'm sure you'll see my face
Who's gonna save me now?
I hope it's you, my babe

Don't change a thing, you are amazing
I can't believe you've come and saved me
We can stay here, spend every day here
I don't mind, no
Don't change a thing, you are amazing
I can't believe you've come and saved me
We can stay here, spend every day here
I don't mind

I see her
She's over in the corner
And I can't ignore her
I hope there's a reason
To see it, I see it now (now, oh)
