

Rez Band, Ananias And Sapphira

I wonder if you noticed, 'cause we sure enough are running out of time
No doubt in my mind, I can hear him counting down

Ananias, they'll carry you away
Oh, Sapphira - she went that same day
And secrets in your heart will sure enough tear you apart

The promises you made, are they still the same ones you keep?
Hey, once upon a time you heard the call, but when it comes time to giving your all you run

Ananias, carry you away
Oh, Sapphira - she went that same day
And secrets in your heart will sure enough tear you apart

Ananias
Oh, Sapphira
