

# Rez Band, Dead To The World

More than addicted, she was DOA,  
Selling body and soul in bad habit USA,  
Now she's motivated, got herself a friend,  
Got her head straightened out, gonna start a new life trend.

She ain't got nothing but nothing to lose,  
Since she found out the truth, she's dead to the world.

Dead, dead, dead,  
Dead to the world,  
Dead, dead, dead,  
Dead to the world.

Thought he wanted money, looking for a name,  
But when the sun went down he couldn't buy the light of day,  
When it finally came it was no surprise,  
He'd been praying so long with a fire in his eyes.

Now he ain't got nothing but nothing to lose,  
Since he found out the truth, he is dead to the world.

Dead, dead, dead,  
Dead to the world,  
Dead, dead, dead,  
Dead to the world.

Now they ain't got nothing to lose,  
They would rather follow truth,  
Now they are dead to the world, world.

Used to be a sinner running from the law,  
Tried to save my life, but I was losing it all,  
Got myself a lawyer, got myself a friend,  
Got myself a lover whose love is never gonna end.

Now ain't got nothing but nothing to lose,  
Since I found out the truth, I am dead to the world.

Dead, dead, dead,  
Dead to the world,  
Dead, dead, dead,  
Dead to the world,  
Dead, dead, dead,  
Dead to the world,  
Dead, dead, dead,  
Dead to the world.
