

Rez Band, Great God In Heaven

Well...

There's a great God in Heaven,
Great God in Heaven,
Great God in Heaven, and nobody can deny.

Well, he got the book of judgement,
Hell and death are in his hand,
He knows the name of Moses; took him to the promised land.

There's a great God in Heaven,
Great God in Heaven,
Great God in Heaven, and nobody can deny.

Now the heavens shake and tremble at the coming of the king,
Every knee shall bow and tongue confess, when Jesus comes again.

That there's a great God in Heaven,
Great God in Heaven,
Great God in Heaven, and nobody can deny.

Well, the Spirit is my witness, my name is on the roll,
As sure as Hell is a fiery furnace, I ain't gonna go.

'Cause there's a great God in Heaven,
A great God in Heaven,
Great God in Heaven, and nobody can deny.

There's a great God in Heaven,
A great God in Heaven,
Great God in Heaven, and nobody can deny.

Nobody can deny.
