

Rez Band, My Jesus Is All

(We...we have a very large family and...and it's called Jesus People USA. They're very good people)

Well, my Jesus is all,
He is my all in all,
And I know he'll hear me,
Hear me when I call,
Walking by his side,
You know I'm satisfied,
Don't you know that he's all?
He's all, he's my all in all.

Well, when I went out,
Went out to seek the Lord,
You know I went out on...
His holy way,
And the reason I know...
He's in my soul,
Because he dug down deep,
So deep, and he made me whole.

Well, my Jesus is all,
He is my all in all,
And I know he'll hear me,
Hear me when I call,
Walk-walking by his side,
You know I'm satisfied,
Don't you know that he's all?
He's all, he's my all in all.

Well, Sunday morning,
Sunday morning soon,
I hear the angels singing...
A joyous tune,
And just before...
Before the break of day,
You know those angels will come,
Will come and roll my stone away.

Well, my Jesus is all,
He is my all in all,
And I know he'll hear me,
Hear me when I call,
Walking by his side,
You know I'm satisfied,
Don't you know that he's all?
He's all, he's my all in all,
Well, my Jesus is all,
He is my all in all,
And I know he'll hear me,
Hear me when I call,
Walking by his side,
You know I'm satisfied,
Oh, you know that he's all,
He's all, he's my all in all,
Yeah, you know that he's all,
He's all, he's my all in all,
Yeah, you know that he's all,
He's all, he's my all in all,
Ooh, well, my Jesus is all,
He's all, he's my all in...
He's my all in all.

Well, my Jesus is all.

(He's all, amen. Grace and Glory.)
