

Rez Band, Rainbow's End

Weave the rainbow in your eyes,
Quiet evening lullaby,
Cross your heart to never die,
Broken on the wood.

Hey.

Silenced by the deafening roar,
Driven from the nether shore,
Violent tremors, wars, and more,
No, not one is good.

Forty days and forty nights Noah sailed a sea of tears,
And the lesson of the flood shouts across the years.

Now he will destroy the dark,
Jesus is the living ark,
Oh, nothing in the world, nothing in the world,
Nothing in the world compares with him,
No one ever loved you more,
He alone is Heaven's door,
He is the promise, he is the promise,
He's the rainbow's end.
