

# Rez Band, Reluctance

Reluctance,  
You don't really love,  
Reluctance,  
You act so tough.

Harden your heart, close your mind,  
Ask yourself no questions,  
Shut your ears, seal your lips,  
Your life, full of objections.

Reluctance,  
You say the strong survive,  
Reluctance,  
As if you never cry.

Given time, as everyone, you'll have to face the truth,  
Insecure, inadequate in many things you do.

Oh, oh,  
Reluctance,  
You say the strong survive,  
Reluctance,  
As if you never cry.

You need love, you need love,  
A love beyond this world,  
God is love, the source of love,  
The one love in this world,  
You need love, you need love,  
A love beyond this world,  
God is love, the source of love,  
The one love in this world.

Reluctance,  
Reluctance,  
Reluctance,  
Reluctance,
