

# Rheostatics, Claire

Tim Vesely & Paul Quarrington

Purify me. Purify me, Claire.  
Let me see you save a mind that isn't there.  
Purify me. Clarify me, Claire.

Liquify me. Liquify these walls.  
Let me see them gushing like Niagara Falls.  
Liquify me. Vaporize me, Claire.

Purify me. Purify me, Claire.  
Let me see you save a mind that isn't there.  
C'mon. C'mon.

C-L-A-I-R-E, confide in me.
