

Rheostatics, Dez's Lament / Claire

Tim Vesely & Paul Quarrington

(Dez's Lament)

Purify me. Purify me Claire.
Let me see her save a mind that isn't there.
Purify me. Clarify me, Claire.

(Claire)

Purify me. Purify me, Claire.
Let me see you save a mind that isn't there.
Purify me. Clarify me, Claire.

Liquify me. Liquify these walls.
Let me see them gushing like Niagara Falls.
Liquify me. Vaporize me, Claire.

Purify me. Purify me, Claire.
Let me see you save a soul that is impaired.
Purify me. Clarify me, Claire.

C-L-A-I-R-E, confide in me.
