

# Rheostatics, Guns

Dave Clark

You take a gun and shoot an animal. Say like your neighbor or a squirrel. Safe to say that at any on

Neat.

Stupid.

Disgusting.

You can take this recipe to the bank and put it in a long-term deposit, because the results are alwa

1. Some goof produces said weapon from a factory.
2. Some goof owns a store that peddles death.
3. Some goof buys the power toy.
4. Said last goof gets a novel idea.
5. Someone, not necessarily a goof, dies.

Guns.
