

Rheostatics, Superdifficult

Tim Vesely

Your Superman reluctantly rubs his hands.
Been called for the post of I'll be your Superman.

It's what I know. What I've been hauled out for.
It's a blindfold, a shootless jump. Yeah, here I go.

Changed me, I know. So why don't you scare me so?
You blind folded me and shoved me out. There I go.

Your Superman. Steady as you grow.
A simple plan. Superdifficult.

Ooooo, not alone. Your very own. Your very own Super man.
