

# Rhesus, Electricity

oh electricity, between you and me  
switching off the city, again and again  
and i'm sure you could make it  
yeah i'm sure we could make it  
oh it's strange how things just seem to  
pass away again  
i forgot to tell you something  
i forgot to tell you something  
i forgot to tell you something  
oh electricity, between you and me  
just me and you  
i cannot stop from looking at you pretty baby  
cannot stop from looking, pretty baby  
i cannot stop from looking at you pretty baby  
i cannot stop from looking at you  
i forgot to tell you something  
i forgot to tell you something  
i forgot to tell you something
