

# Rhesus, Sorry For This

Unfortunately, I am going down  
and I'm not sure if I wanna take you there  
People, obviously  
will think of me that I  
try to make my life more exciting  
That complications get me high  
and help me sail through the lonely streets  
That may be right

And I'm sorry for this  
but I don't wanna take you home  
Yeah it's a jungle out there  
but you got to go alone  
We'll never make it  
'Cause in the end I'd spoil it  
No matter what they say  
yeah it's gonna be okay

And when I think of it  
I feel like digging a hole  
in the ground, deep  
where no one would hear me call  
So please don't blame me  
I am now a better man  
and don't wanna see you crying  
Don't you think we are fine ? Yeah

And I'm sorry for this  
but I don't wanna take you home  
Yeah it's a jungle out there  
but you got to go alone  
We'll never make it  
'Cause in the end I'd spoil it  
No matter what they say  
yeah it's gonna be okay

yeah it's gonna be okay  
yeah it's gonna be okay  
yeah it's gonna be okay  
yeah it's gonna be okay
