

Rhesus, Talk Talk Talk

Talk, talk, talk
to me I can never get enough
Talk, talk, talk
Not too loud
Talk, talk, talk
Don't worry about things you can't control
Don't worry about things you can't control
Talk, talk, talk
I'm on my way

Waking up to see you calling up
Calling up to see you go
This is getting complicated
And if you don't believe you can
Sing along with me again
This is not complicated

Talk, talk, talk
You never know what might happen, dear
Talk, talk, talk
What have I done?
