

Rhett Akins, Every Cowboy's Dream

She's got a sticker on her pick-up
Says insured by Smith & Wesson
She's a little Texas twister
In a big ol' black Stetson
She's an angel in red Ropers
And a devil in blue jeans
She's every cowgirl's nightmare
Every cowboy's dream

She can rope and ride 'em bareback
And tangle with the best
Brand a longhirm down a longneck
Lord tame the old wild west
She's the cutest, toughest
Sweetest, roughest gal I've ever seen
She's every cowgirl's nightmare
Every cowboy's dream
an rope and ride 'em bareback
And tangle with the best
Brand a longhirm down a longneck
Lord tame the old wild west
She's the cutest, toughest
Sweetest, roughest gal I've ever seen
She's every cowgirl's nightmare
Every cowboy's dream

She's got all them desperadoes
Just desperate for a dance
While she's burnin' up the sawdust
Lord they're buckin' for a chance
With a tiny little two-step
She can start a stampede
'Cause she's every cowgirl's nightmare
Every cowby's dream
