

Rhett Akins, Right Back Atcha

We've been standing on the edge of something
Bigger than the both of us.
And neither one of us had said it yet,
but tonight I got my courage up.
I was just about to let the L word rip,
when you stopped me in my tracks.
Oh, you came right out and said I Love You.
Well all I had to say to that, is..

Right back atcha,
same to you.
Ditto Darlin,
I love you too.
The feelin's mutual,
it goes both ways you know.
It's reciprocal,
emotion's identical.
I'm glad that you feel the same
cause I was about to say those very words.
But darlin, since you said 'em first,
Right back atcha.

Girl I had everything worked out
it was right on the tip of my tongue.
Well I was waitin on that special moment,
but you beat me to the punch.
Yeah you took the words right out of my mouth
You must have been readin my mind.
Cause when you told me that you loved me,
Well I had only one reply, that's right

Repeat Chorus

Yeah

Repeat Chorus

Yeah right back atcha
Oh yeah
Ditto darlin
I love you too.
Right back atcha.
