

# Rhett Miller, Come Around

I'm dressed all in blue  
and I'm rememberin you  
and the dress you wore,  
When you broke my heart  
I'm depressed upstairs  
and I'm rememberin where  
and when and how and why  
You have to go so far

Am I gonna be lonely for the rest of my life  
Am I gonna be lonely for the rest of my life  
I'm gonna be lonely for the rest of my life  
Unless you come around  
So come around

I'm dressed all in white  
and i remember the night  
You came onto me  
and opened up my heart  
I was hollow then, till you filled me in  
Now I'm empty again  
I should have never let it start

Am I gonna be lonely for the rest of my life  
Am I gonna be lonely for the rest of my life  
I'm gonna be lonely for the rest of my life  
Unless you come around  
So come around

No one else can fix me  
Although sometimes my heart tricks me  
Into thinkin someone else will do  
You are the only one, you are the only one

Am I gonna be lonely for the rest of my life  
Am I gonna be lonely for the rest of my life  
I'm gonna be lonely for the rest of my life  
Unless you come around, So come around  
So come around  
So come around

I'm dressed all in blue  
and I'm rememberin you  
and the dress you wore,  
When you broke my heart
