

Rhett Miller, Come Around

I'm dressed all in blue
and I'm rememberin you
and the dress you wore,
When you broke my heart
I'm depressed upstairs
and I'm rememberin where
and when and how and why
You have to go so far

Am I gonna be lonely for the rest of my life
Am I gonna be lonely for the rest of my life
I'm gonna be lonely for the rest of my life
Unless you come around
So come around

I'm dressed all in white
and i remember the night
You came onto me
and opened up my heart
I was hollow then, till you filled me in
Now I'm empty again
I should have never let it start

Am I gonna be lonely for the rest of my life
Am I gonna be lonely for the rest of my life
I'm gonna be lonely for the rest of my life
Unless you come around
So come around

No one else can fix me
Although sometimes my heart tricks me
Into thinkin someone else will do
You are the only one, you are the only one

Am I gonna be lonely for the rest of my life
Am I gonna be lonely for the rest of my life
I'm gonna be lonely for the rest of my life
Unless you come around, So come around
So come around
So come around

I'm dressed all in blue
and I'm rememberin you
and the dress you wore,
When you broke my heart
