Love gets you in the gut  
Takes the top off of your head  
And makes you wish that you were dead

Drugs help but not enough  
Take the loop off of your mind  
And scoop out everything you find

(CHORUS)  
Meteor Shower  
Meteor Shower

I cannot make light I'm so burnt out  
I know where you are  
I cannot believe how much it hurts  
I'm a fallen star

While the world keeps spinnin' round

(CHORUS)

(Break)

(CHORUS)

Love gets you in the gut  
Take top off of your head  
And makes you wish that you were:
