

# Rhona, Satisfied

c'mon

CHORUS:

You'd better let me know  
before I change my mind,  
'Cause I just wanna show you (that) I can keep you satisfied.  
Don't wanna let it go, but  
this feeling's deep inside.  
I'm gonna, I'm gonna keep you satisfied.

Everybody tells me so  
but still I can't let you go.  
And so it's hard to see  
how I could never have known.  
See, I won't ever be played  
by somebody like you.  
I can't believe I saw my best of friend with you.

You know she can't compete  
with all I give to you.  
And I know you can't believe  
that her heart is so true.  
I know that you can see  
that I'm the one for you.  
You'd better tell my girl before she learns the truth.

CHORUS:

You'd better let me know  
before I change my mind,  
'Cause I just wanna show you (that) I can keep you satisfied.  
Don't wanna let it go, but  
this feeling's deep inside.  
I'm gonna, I'm gonna keep you satisfied.

Now what's the reason for  
being unfaithful to me.  
When I have done much more  
than you've expected of me?  
Am I the cause of what  
you said you never be?  
Did I neglect you by not satisfying all your needs?

I will make it up to you.  
Prove my love still remains true.  
I refuse to let you go.  
But time's running out,  
so you'd better let me know.

CHORUS:

You'd better let me know  
before I change my mind,  
'Cause I just wanna show you (that) I can keep you satisfied.  
Don't wanna let go, but  
this feeling's deep inside.  
I'm gonna, I'm gonna keep you satisfied.

Please, be sure that you're thinking  
about Giving up this chance of love between us now.  
There's no one else like me.  
Baby, no one else comes close.

CHORUS:

You'd better let me know  
before I change my mind,

'Cause I just wanna show you (that) I can keep you satisfied.  
Don't wanna let go, but  
this feeling's deep inside.  
I 'm gonna, I'm gonna keep you satisfied.
