

Rhonda Vincent, Don't Lie

That old photograph of ours sure looks out of place
Laying on your bag out in the hall
You're taking it to remind you of our better days
The ones you say you'll miss when you're gone

Don't lie
Don't try to fool me
Cause boy I know what's going on
Don't lie
You owe it to me
Leave well enough alone
So just go ahead and say goodbye
But don't lie

Well I've seen all her letters in the closet
Caught a trace of her perfume on you last night
So don't stand there and act so broken hearted
And tell me how it's killing you inside

Don't lie
Don't try to fool me
Cause boy I know what's going on
Don't lie
You owe it to me
Leave well enough alone
So just go ahead a say goodbye
But don't lie

Just come out and say it
Don't worry I can take it
Don't you think that I deserve the truth

Don't lie
Don't try to fool me
Cause boy I know what's going on
Don't lie
You owe it to me
Leave well enough alone
So just go ahead and say goodbye
But don't lie
