

# Rhonda Vincent, I Do My Cryin' At Night

(Lefty Frizzell - Sanger D. Shafer - A.L.Owens)

Darlin' I've got all our friends believin'  
That I'm glad to have you out of my sight  
I laugh all day long and say I'm glad you're gone  
But I do my crying at night

Chorus

I do my cryin' at night  
To keep all my heartaches out of sight  
It only takes the moon to make me change my tune  
I do my cryin' at night

Yes, you're the missing star in my blue heaven  
That's why the darkness always makes me cry  
There's a hole in my sky and a big tear in my eye  
I do my cryin' at night

Chorus

I do my cryin' at night
