

Rhonda Vincent, Jesus Built A Bridge To Heaven

-CHORUS-

Jesus built a bridge to Heaven.
A mighty, mighty bridge to Heaven.
Jesus built a bridge to Heaven,
with three nails, and two cross-ties.

Took His people by the hand.
Led them 'cross that barren land.
Pharaoh chased them night and day,
but the angel of the Lord kept him away.

Jesus built a bridge to Heaven.
A mighty, mighty bridge to Heaven.
Jesus built a bridge to Heaven,
with three nails, and two cross-ties.

A humble carpenter by trade.
You'll know him by the works he made.
No towers of stone, nor works of steel,
but a wooden cross on a wind swept hill.

Jesus built a bridge to Heaven.
A mighty, mighty bridge to Heaven.
Jesus built a bridge to Heaven,
with three nails, and two cross-ties.

No boulevard, no avenue.
Not a road by man can carry you.
A highway built by hands unseen,
to that city of gold for eternity.

Jesus built a bridge to Heaven.
A mighty, mighty bridge to Heaven.
Jesus built a bridge to Heaven,
with three nails, and two cross-ties.

Jesus built a bridge to Heaven.
A mighty, mighty bridge to Heaven.
Jesus built a bridge to Heaven,
with three nails, and two cross-ties.

Jesus built a bridge to Heaven.
A mighty, mighty bridge to Heaven.
Jesus built a bridge to Heaven,
with three nails, and two cross-ties.
