

# Rhonda Vincent, Missouri Moon

There's a full moon out tonight  
all the stars are shining bright  
the same way that they used to do.  
And it reminds me of  
the night we fell in love  
Beneath that old Missouri moon.

(Chorus)

Who'd have ever thought we'd end this way  
As I watch you go the tears are rolling down my face.  
Who'd have ever thought I'd be so blue  
As I cry beneath that old Missouri moon.

I can't remember when it started to begin  
That I gave my heart away to you  
And then when we touched  
I have never felt so much  
It was in that moment that I knew.

(Chorus)

As I cry beneath that old Missouri moon  
Missouri moon, Missouri moon.
