

Rhonda Vincent, When I Close My Eyes

There's so many things
I didn't say
And even though
It may be too late
I want you to know
I still love you so
Every car I meet
Looks like your car
Every movie I see
You play the leading part
You're on my mind
Can't leave you behind

When I close my eyes
You're all I see
In the dark of night
You're in my dreams
Throughout the day
You're easy to find
You're all I see
When I close my eyes

In my mind I know
You're far away
But here in my heart
Nothing has changed
I'm still holdin' you
Like I used to
On a busy street
In a crowded room
Wherever I go
It's just me and you
Together again
Boy it never ends

When I close my eyes
You're all I see
In the dark of night
You're in my dreams
Throughout the day
You're easy to find
You're all I see
When I close my eyes

You're all I see
When I close my eyes
