

# Rhubarb, Wasting Too Much Time (Reprise)

Oh my God, I can't believe  
In the way we strive, this urgency.

When I see we can make it, we'll make it.  
We can make it, we'll make it.

[Chorus]  
Are we wastin' too much time  
Are we wastin' too much time.

Never stop, for fear of silence  
Can't connect, we're all willing victims

When I see we can make it, we'll make it.  
We can make it, we'll make it.
