## Rhubarb, Wasting Too Much Time (Reprise)

Oh my God, I can't believe In the way we strive, this urgency.

When I see we can make it, we'll make it. We can make it, we'll make it.

[Chorus] Are we wastin' too much time Are we wastin' too much time.

Never stop, for fear of silence Can't connect, we're all willing victims

When I see we can make it, we'll make it. We can make it, we'll make it.
