

Rialto, Brilliant Fake

(INTRO)

Na na na na
Na na na na na na
Na na na na
Na na na na na na

I like the taste
That's why I swallow the lies
'Cos everybody needs faith
If they want to survive
Give me your hand
Oh, I will fall to my knees
In such a beautiful sham
I was born to believe

I don't care
Whatever
Just kill the pain and stop the ache
Whatever it takes
Lie to me
I'm happy
And in your arms I will escape
You're my brilliant fake

(REPEAT INTRO)

All of my life
I've never known what was real
But does it matter what is right
If you like what you feel?

I don't care
Whatever
Just kill the pain and stop the ache
Whatever it takes
Lie to me
I'm happy
And in your arms I will escape
Oh my brilliant fake

(REPEAT INTRO to fade)
