

# Rialto, Hard Candy

Sugar high, then she drops me from the sky, but it never stops me.

From the very first taste it began: I only wanna make her understand, hold her as she melts into my

Glycerine is in my veins, it's serene until she runs out again...

Ever since the first taste it began: I only wanna make her understand, hold her as she melts into my

Candy...

Such a waste when she leaves me - a bitter taste when I want her to feed me.

All the shiny paper's just a sham - I only wanna make her understand, hold her as she melts into my

That's just my hard candy, that's just my hard candy.

That's just my hard candy, that's just my hard candy.
