

# Ribspreader, Worms Inside Your Coffin

Fierce determination  
To nail the black robed liars  
Crucifix spells 666

Bolted to the cross  
Mourning the loss

Worms  
Inside your coffin  
Eating your rotting soul

Defaced disfigured cremated  
Only ashed remain  
Embedded in your remnants of dust  
The cross you wore to praise your lord

Your days of molestation  
Has gone away  
No one hears your cries  
Repent your deeds as you slowly die

Fierce determination  
To nail the black robed liars  
Crucifix spells 666

Bolted to the cross  
Mourning the loss

Worms  
Inside your coffin  
Eating your rotting soul
