(Verse 2 - Pastor Troy)
And I love you babay, mwah, hugs and kisses
F**k them niggas and f**k them bitches
Been in this game since 1998
Nigga take the safety and shit but I'm great
Maybe it's fate destiny, you tell me
Damn near ten and that shit been free

But I'm P.T. so I gots to cruise nigga Really ain't shit to prove to y'all niggas All the cars, all the clothes Wit' all the stars, and all the hoes First class flights a nigga live in the lights But see you in the dark, this stuff is kinda hard See where I park, valet costs a note Drop another fifty just to check my coat Probably leave wit' yo' chick, know how I do It's Pastor Disaster baby, I love you

(Chorus)

(Verse 3 - Big Boi)

Took me from a gun totin' nigga to a Big Boi
Too legit to slip now I got papers on my shit boi
And not just my weapons I'm talkin' 'bout titles and deeds
You payin' rent you can't afford and can't break out of ya lease
I'm out of ya league, I might as well be Ivy
All over ya ass like injections in a stripper's hiney
Rhyming is a skill that requires timing
Like dual ejaculation while my lady's riding
I'm 'bout to cum (I'm 'bout to cum) at the same time
You satisfied? (I'm satisfied) that's how I slang mine
A generation came up under my style
From penetration of the nation when I was just a child
Now, who's really in the critics top five me

Andre 3000 and three mo' niggas that's really fie
Let me break it down, I get fly at that mouth
I, stay fresh to the hosiery we 'posed to be
Them niggas from the south so
One to the two the three the fo'
Satisfied? (I'm satisfied) Then I'mma hit 'cha some mo'

(Chorus)
