you're the only girl that i wanna see daily

and a lot of hoes sayin you could be my lady
lets take it to another level, remember the first day

nah, now we kicked it too hard, you went to deep, you say you feel it in your heart so i'mma be real
and ain't gonna tell you that "i love you" if i don't

i understand that you got a man at your crib
but he don't even care or understand how you feel
but if you stop comin around, and i don't see you again...
i guess we could just be friends

Good things don't last forever baby
something bout you gurl that drives me crazy
aint no ifs, ands, buts or maybes
you will always be my friend

you will always be
say youll always be...
my friend
