Rich Mullins, First Family

"My folks they were always the first family to arrive With seven people jammed into a car that seated five There was one bathroom to bathe and shave in Six of us stood in line And hot water for only three But we all did just fine

Talk about your miracles Talk about your faith My dad he could make things grow Out of Indiana clay Mom could make a gourmet meal Out of just cornbread and beans And they worked to give faith hands and feet And somehow gave it wings

I can still hear my dad cussin' He's working late out in the barn The spring planting is coming And the tractors just won't run Mom she's done the laundry I can see it waving on the line Now they've stayed together Through the pain and the strain of those times

Talk about your miracles Talk about your faith My dad he could make things grow Out of Indiana clay Mom could make a gourmet meal Out of just cornbread and beans And they worked to give faith hands and feet And somehow gave it wings

And now they've raised five children One winter they lost a son But the pain didn't leave them crippled And the scars have made them strong Never picture perfect Just a plain man and his wife Who somehow knew the value Of hard work good love and real life

Talk about your miracles Talk about your faith My dad he could make things grow Out of Indiana clay Mom could make a gourmet meal Out of just cornbread and beans And they worked to give faith hands and feet And somehow gave it wings"
