

# Rich Mullins, How Can I Keep Myself From Singin

"I feel my heart my heart is beating  
It has a rhythm strong and sure  
And in the Name that brought me healing  
I pray for a healing of this world

And I know sacred ears will listen  
And holy hands reach out to touch  
How can I keep myself from singing  
Hallelujah! (Hallelujah!)  
Hallelujah! (Hallelujah!)  
Hallelujah! (Hallelujah!)  
Hallelujah! (Hallelujah!)

I see the moon  
The moon is bleeding  
There is a shadow on the sun  
And I know this life  
This life is fleeting  
So Lord I pray Thy Kingdom come

And I know sacred ears will listen  
And holy hands reach out to touch  
How can I keep myself from singing

Hallelujah! (Hallelujah!)  
Hallelujah! (Hallelujah!)  
Hallelujah! (Hallelujah!)  
Hallelujah! (Hallelujah!)  
repeat..."
