

Rich Mullins, How Can I Keep Myself From Singin

"I feel my heart my heart is beating
It has a rhythm strong and sure
And in the Name that brought me healing
I pray for a healing of this world

And I know sacred ears will listen
And holy hands reach out to touch
How can I keep myself from singing
Hallelujah! (Hallelujah!)
Hallelujah! (Hallelujah!)
Hallelujah! (Hallelujah!)
Hallelujah! (Hallelujah!)

I see the moon
The moon is bleeding
There is a shadow on the sun
And I know this life
This life is fleeting
So Lord I pray Thy Kingdom come

And I know sacred ears will listen
And holy hands reach out to touch
How can I keep myself from singing

Hallelujah! (Hallelujah!)
Hallelujah! (Hallelujah!)
Hallelujah! (Hallelujah!)
Hallelujah! (Hallelujah!)
repeat..."
