

Rich Mullins, I Believe

"What other reason would I need to give
Oh, 'cuz I've found the reason
Why I want to live
It's for Him who gave His own life
That I might find peace

So I sing for joy as I sing with this song
Because freedom was foreign
When I lived in the wrong
But it's here now
And I sing for the joy that it brings
Oh, singing...

Oh, I believe, I believe, I believe
Oh, I believe, I believe, I believe
In God's only Son

Now I am not haunted by the sins of my past
For the chains have been broken
And now I'm free at last
Just to live in the grace of my God
In liberty, free

So look into the story
And then you will see
Why the cross that I'm wearing
Means something to me
It's for love
The love of the Father that's given to us
Oh, won't you sing
Sing out...

I believe, I believe, I believe
Oh, I believe, I believe, I believe
In God's only Son
Oh...

Singing, oh, I believe, I believe, I believe
Oh, I believe, I believe, oh, I believe

Singing, oh, I believe, I believe, I believe
Oh, I believe, I believe, I believe
In God's only Son
