

Rich Mullins, We Are Not As Strong As We Think

Well, it took the hand of God Almighty
To part the waters in the sea
But it only took one little lie
To separate you and me

Oh, we are not as strong
As we think we are

And they say that one day Joshua
He made the sun stand still in the sky
But I can't even keep
These thoughts of you from passing by

Oh, we are not as strong
As we think we are

We are frail
we are fearfully
And wonderfully made

Forged in the fires
Of human passion
Choking on the fumes
Of selfish rage

And with these our hells and our heavens
So few inches apart
We must be awfully small
And not as strong as we think we are

And the Master said that faith was
Gonna make them mountains move
But me I tremble like a hill on a fault line
Just at the thought of how I lost You

Oh, we are not as strong
As we think we are

We are frail
We are fearfully
And wonderfully made

Forged in the fires
Of human passion
Choking on the fumes
Of selfish rage

And with these our hells and our heavens
So few inches apart
We must be awfully small
And not as strong as we think we are

And if you make me laugh
I know I could make you like me
'Cause when I laugh
I can be a lot of fun

Well, we can't do that
I know that it is frightening
What I don't know is
Why we can't hold on
We can't hold on

It took the hand of God Almighty

To part the waters in the sea
But it only took one little lie
To separate you and me

Oh, we are not as strong
As we think we are

When you love you walk on the water
Just don't stumble on the waves
We all want to go there somethin' awful
But to stand there it takes some grace

'Cause oh, we are not as strong
As we think we are

No, we are not as strong
As we think we are

Walk on the water
Walk on the water
If we could just hold on
Just hold on
