She wanna check out my dab  
Flexing in them half  
Ain't cuffing that bitch we can switch  
Pull up I'm dabbing they taking the pics

Dab with the racks in the Balmaine  
Roll you a ice you a plain Jane

Racks to the ceiling I'm having  
Handcuffing no bitch we switch  
The kitchen I'm breaking my wrists  
Flexing the dab on purpose  
Feels good to be rich I was hurting

Sipping the lean out a glass
