

# Rich The Kid, Get Rich

Whipping and whipping  
I'm breaking my wrist, I'm fucking your bitch  
Taking a trip, to flip all these bricks  
And get all these bricks, I'm rich  
Me and Rich the Kid riding around and hitting these licks  
I'm rich, but I'm still hitting licks  
Still hitting licks, I'm still hitting licks  
Still hitting licks, I'm still hitting licks, AP on my wrist  
Flex with your bitch, I'm fucking your bitch and we taking a trip  
Soulja, Soulja, Young Soulja, Young Soulja  
Young Soulja and Rich The Kid  
Soulja, Rich The Kid  
Feels good to be rich  
Hollow tips, extended clip leave a body in ditch  
Versace, Versace, Givenchy, Givenchy, they all on my dick  
AP on my wrist, I know I'm the shit  
Cuban links, they cost 30 G's, study this shit  
Keep me a hollow tip if a nigga talk shit  
All of my niggas that's on the block trap, trap, trap  
Get rich, trap trap, get rich  
Taking a trip and I'm flipping the bricks  
Pistol on my lap full of hollow tips  
Bad bitch, I'm making her strip  
Whippin' the foreign whip, 'round South Vegas  
I'm riding the strip  
Niggas talk shit and get hit with the K  
Fuck out my way  
King Soulja, lil Dre  
Pull up on your block and you know I'm spraying  
Niggas get shot up if they think I'm playing  
SODMG, we plug with Jamaicans  
Turn up, turn up, turn up, all we smoke is loud  
Pull up to the club and I shoot up the crowd  
I'm turning up, I'm not turning down

I'm breaking my wrist, the police they busting my spot  
I'm jumping the fence  
The bitches they hated, they said I wouldn't make it  
Young nigga I'm finally rich

Pull up with Soulja, these bitches gon' bother me  
More pints than a pharmacy  
Covered in gold, you cuffing these hoes  
Was broke but I'm touring the globe  
Young rich nigga, whole lot of cash on me  
This chain on my neck worth four Rolexs  
The Audemar look like a waterfall  
The trap is jumping, no basketball  
You taking that bitch to the mall
