Hello? Trap  
Hello? Trap  
Woah, aye

I just might just cum on her face  
I just might just go buy the Wraith  
I just might go to Japan  
Overseas for the bands  
I was broke, got a Lamb  
Pull up, bitches like damn  
No credit card, that's a scam  
Take the pot, I'm goin HAM  
I fucked that bitch in Givenchy  
Walking around with a 50  
I done got rich, money filthy  
I'm in New York come in Diddy  
Look at my Rollie, the ice  
Pussy so good, fuck her twice  
Take the whole cake, fuck a slice  
She ride this dick like a bike

I just might pour up a pint  
I'm sipping the dirty with Sprite  
That's your bitch fuck her twice  
Walking round with the ice  
I just might fly to Japan  
I just woke up with the bands  
Serving the pussy out there  
No I'm balling like the Cavs  
Take the pot, Stephen Curry  
Put your bitch in  
Money trouble too scary  
Me and money got married  
Taking the pussy, I beat it  
You loving the pussy, you eat it  
Broke nigga you funny  
Balling all this money  
I make a note when I fuck her  
She suck the dick like a sucker  
I run the bitch like a trucker  
I hit the bitch like I snuck her  
I got the money, no pressure  
Walking around with the extras  
I put that bitch on a stretcher  
I'm a... no flexing

Racks bust out the Balmain  
Fucking that bitch I don't kiss her  
I pass the ho out to Flipper  
She got ass like a stripper  
Geeked up, geeked up  
Now I'm charging 50 racks for the feature  
I'm balling hard in the bleachers  
I'm walking with salad like caesar  
I had to run for the money  
None of my niggas stay hungry  
All of my niggas 100  
I had the check that they wanted  
I had to work for the spot  
Now she drop it like it's hot  
You a cuffer like a cop  
Put a lock on a box  
I hit a ho with a switch-a-roo  
I fuck her aunt in my Jimmy Choos

I'm in the streets and a movie too  
Shawty a foreign, she love the crew  
I nut on her face  
I... my waist  
I got out of jail, beat the case  
I'm walking around with the K
