

Rich The Kid, Tic Toc (feat. Tory Lanez)

Tick, tock
Nigga, big Glocks
We got big shots
We do wig shots
I do headshots
They do red dots
Bitch, I'm red hot
Make yo bed rock
Tick, tock
Nigga, big Glocks
We got big shots
We do wig shots
I do headshots
They do red dots
Bitch, I'm red hot
Make yo bed rock
Yeah

Move your legs, lock
Ain't wastin' time I know that pussy drip drop
Buss down might put your wrist on tic toc
Bought a Richard Mille, you know this ain't no G-Shock
Breakin' the bank, I've been flexin' too hard, bring the racks out
She suckin' the dick so good does she put her teeth out?
Give her 50 bands in the mall, I let her cash out
Pussy good I'ma bend her over pull the weave out
For a little chain they'll pull up on you, get a bad break
Hit the pussy twice I made the leg shake
Wake up I was thinkin' 'bout the new Wraith
Pulled the chopper hit you from a long range
(Rich!)

Tick, tock
Nigga, big Glocks
We got big shots
We do wig shots
I do headshots
They do red dots
Bitch, I'm red hot
Make yo bed rock
Tick, tock
Nigga, big Glocks
We got big shots
We do wig shots
I do headshots
They do red dots
Bitch, I'm red hot

41, Mille bust down
I get to runnin' through that pussy like a touchdown
You hated on me back then, my nigga, well, what now
What she was sayin' fam, it ain't shit to discuss now
I just put a double shot inside a double cup now
Touchin' that money give a young nigga a rush now
Throw that money up so high that they gotta throw it down
She gon' let me fuck, counter, carpet then rug now
Deep in the hundreds you lovin' the way I like the wrist
Nigga say I be biting well I'ma bite your bitch
She a thottie with a body and I like the bitch
Gotta keep that shit a stack, man, I like the bitch
(Lil' Tory)
