On the street air is thin, dim night like the rest.
At the door of the club loungin eyes so undressed.
Then you open the door/and the noise shakes the floor.
Oh baby night after night here tonight is the best.

I say Hey how's the group, when's the set gonna start?
She says I know that girl - there's a tattoo on her heart.
She pivots in rage/and the band hits the stage
Sexy love ricochets round everyone's part.

I say everybody's waitin - I want moments like these.
Oh baby get me drunk I'll go to my knees/
Such a surge overload/Oh the whold joint explode
Everyone you ever saw indulgin in squeeze.
