

Richard Marx, At The Beginning

(Donna Lewis)

We were strangers starting out on a journey
Never dreaming what we'd have to go through
Now here we are and I'm suddenly standing
At the beginning with you

(Richard Marx)

No one told me I was searching to find you
Unexpected what you did to my heart
When I lost hope you were there to remind me
This is the start

(Chorus)

And Life is a road and I wanna keep going
Love is a river I wanna keep flowing
Life is a road now and forever wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

(Both)

We were strangers on a crazy adventure
Never dreaming how our dreams would come true
Now here we stand unafraid of the future
At the beginning with you

(Chorus)

And Life is a road and I wanna keep going
Love is a river I wanna keep flowing
Life is a road now and forever wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

(Bridge)

Knew there was somebody somewhere
Like a light in the dark
Now I know that dreams will live on
I've been waiting so long
Nothing's gonna tear us apart

And Life is a road and I wanna keep going
Love is a river I wanna keep flowing
Life is a road now and forever wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

Life is a road and I wanna keep goin
Love is a river I wanna keep goin on
Starting out on a journey
Life is a road and I wanna keep going
Love is a river I wanna keep flowing
In the end I wanna be standing
At the beginning with you
