

# Richard Marx & Donna Lewis, At the Beginning

We were strangers  
Starting out on a journey  
Never dreaming what we'd have to go through  
Now here we are  
And I'm suddenly standing  
At the beginning with you  
No one told me I was going to find you  
Unexpected, what you did to my heart  
When I lost hope  
You were there to remind me  
This is the start  
And life is a road, and I want to keep going  
Love is a river I want to keep flowing  
Life is a road, now and forever  
Wonderful journey  
I'll be there when the world stops turning  
I'll be there when the storm is through  
At the end I want to be standing at the beginning  
With you  
We were strangers  
On a crazy adventure  
Never dreaming how are dreams would come true  
Now here we stand  
Unafraid of the future  
At the beginning with you  
And life is a road, and I want to keep going  
Love is a river I want to keep flowing  
Life is a road, now and forever  
Wonderful journey  
I'll be there when the world stops turning  
I'll be there when the storm is through  
At the end I want to be standing at the beginning  
With you  
I knew there was somebody somewhere  
Like me alone in the dark  
Now I know my dream will live on  
I've been waiting so long  
Nothing's going to tear us apart  
And life is a road and I want to going  
Love is a river I want to keep flowing  
Life is a road, now and forever  
Wonderful journey  
I'll be there when the world stops turning  
I'll be there when the storm is through  
In the end I want to be standing at the beginning  
With you  
Life is a road, and I want to keep going  
Love is a river I want to keep going on  
Starting out on a journey !  
Life is a road and I want to keep going  
Love is a river I want to keep flowing.  
In the end I want to be standing at the beginning  
With you
