

Richard Marx, Satisfied

Yeah yeah
Whoa

We work our bodies weary
To stay alive
There must be more to living
Than nine to five

Why should we wait
For some better time
There may not even be a tomorrow
Ain't no sense in losing your mind
I'm gonna make it worth the ride

Don't you know
I won't give up until I'm satisfied
Don't you know
Why should I stop until I'm satisfied

Ignore the hesitation
That ties your hands
Use your imagination
And take a chance

Won't let my moment
of truth pass me by
I've gotta make my move
Now or never
And if they turn me loose on this town
They're gonna have to hold me down

Don't you know
I won't give up until I'm satisfied
Don't you know
Why should I stop until I'm satisfied
Yeah

Don't you know
Ain't gonna stop up until we're satisfied
Don't you know
We shouldn't stop until we're satisfied

Don't you know
Ain't gonna stop until I'm satisfied
Don't you know
We won't give up until we're satisfied

Why should I stop before I'm satisfied
